

TEAM IMAGE SYNCHRONIZED SKATING TEAMS
PEP RALLY 2021-2022

NOVEMBER 6, 2021
E.J. MURRAY MEMORIAL SKATING CENTER

WELCOME TO IMAGE SYNCHRO PEP RALLY!

Our pep rally is the first time during the season that the Team Image skaters perform their routine for an audience. It is also the only time during the year that all 9 lines get to perform together.

The pep rally allows the skaters to experience the energy and camaraderie of synchronized skating. They get to show their costumes and skate under the lights for their family and friends. It's the first time that many on the Beginner lines will have performed on the ice at all.

It's an eye-opener for many as the younger girls (and their families) get to see the more advanced lines and experience the athleticism and grace that the sport entails. We are very excited for the season ahead. Thank you again for coming!

About Team Image

Team Image is an organization of coaches, skaters, and their families, working together to provide children and young adults with a rewarding, competitive, and educational experience. Team Image skaters learn sportsmanship, teamwork, and discipline as well as the skills to be National competitors, while making positive memories and friendships they will carry with them for a lifetime.

Throughout the past 30 years, Image teams have competed in every USFSA qualifying division and have advanced to the USFSA National Championships. Today, the Team Image organization is made up of over 100 skaters from the Tri-State area who form 9 teams.

WELCOME (over loud speaker)

Welcome to Team Image pep rally. On behalf of coaches and board of directors, we are thrilled to be here today to celebrate the dedication and commitment of our skaters, coaches and families.

We'd like to welcome back all our returning families and we want to extend a very warm welcome to all of our new families and skaters .

Today wouldn't have been possible without the passion and dedication of our founder Sylvia Muccio. Sadly, she lost her battle to cancer 7 years ago but we are lucky enough to have her students as our coaches who were inspired by her to keep her legacy going. We'd like to acknowledge her family, Stephen Anthony and Nicole who are with us today.

Please stand for our National anthem - Lindsay Lissauer (Novice skater)
